

Getting started with the Libby App

Step 1—Install the Libby app from your device's app store.(Apple App Store, Google Play, Windows Store)

Step 2—In Libby, follow the prompts to find your library and sign in with a valid library card. Look for Prairie du Chien Memorial Library (Southwest Public Library System) You can make your own password by going to our website and signing in with your library card first or ask a librarian for a generic password.

Step 3—Browse your library's collection and borrow an available title or put your book on hold (they will e-mail you when the book is available)

Step 4—Borrowed titles appear on your Shelf and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

From your Shelf, you can:

Tap Open Book or Open Audiobook to start reading or listening to a title.

Tap Manage Loan to see options like Renew, Return, or Send to Device to send a book to Kindle. Happy reading!
